roles as SA State Operations Manager and prior to that Event Coordinator/Manager. He has also been the Event Director of the Top End Gran Fondo. Jake is based on Adelaide.

This new approach to resourcing the operations of our States and Territories represents a new way of thinking about how we best service our clubs and community and is part of the ongoing evolution of AusCycling.

@Dieter Mittermayer will continue to play a lead role in the Territory and if you've been working with him please continue to do so.
